

IVIG Mobile Application

ivig.transfusionontario.org

Instructions for saving IVIG Guidelines to your iOS device including the BMI and Dose Calculators:

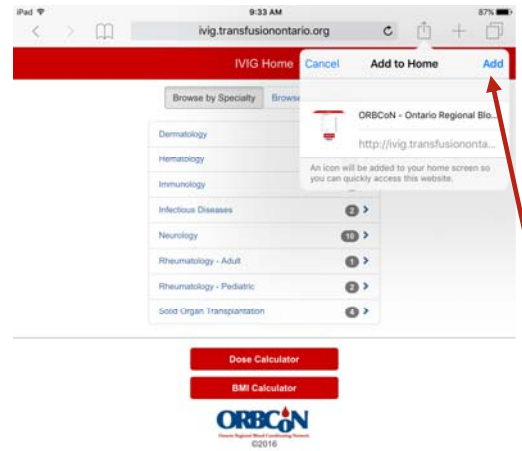

1. Open ivig.transfusionontario.org on your mobile device

2. Select the box with the arrow pointing up, more options will open. Select '**Add to Home Screen**'.

3. Select '**Add**'. The IVIG icon will save on your device.

4. IVIG Guidelines will be available as a shortcut, on your device.
Please note: guidelines will require wifi access.
